

NETWORKED SYSTEMS

IRVINE, CALIFORNIA 92697-2625

February 9, 2018

Zhixiu Kang  
3901 Parkview Ln  
7B  
Irvine, CA 92612

Dear Zhixiu Kang,

Congratulations! On behalf of the faculty in Networked Systems, we are pleased to offer you graduate admission to the University of California, Irvine beginning Fall 2018 for the purpose of graduate study leading to the Master of Science degree in Networked Systems. Your UC Irvine student identification number is 50401442. Your offer is based on your outstanding academic record and your promise as a future scholar.

Your initial faculty contact is Professor Athina Markopoulou. Your faculty contact can answer questions about the content of courses offered at UC Irvine and provide more detail about UCI and our graduate program. Your faculty contact is not your thesis advisor. If you plan to pursue a M.S. with thesis option, you will also need to find an official thesis advisor after enrolling at UC Irvine. For a roadmap to your degree, and degree requirements you can refer to <http://www.networkedsystems.uci.edu/>. For questions regarding courses please refer to the UCI Catalogue: <http://catalogue.uci.edu/> or ICS Student Affairs Office at [gcounsel@ics.uci.edu](mailto:gcounsel@ics.uci.edu). For questions specifically related to this offer or the admissions process you may contact [eeesgrad@uci.edu](mailto:eeesgrad@uci.edu).

Additionally, should you decide to attend our School, in order to receive your I-20 you must submit the New Graduate Student Visa Document Request form available online at <http://www.ic.uci.edu/Students/New/I-20orDS-2019.php>. Please carefully follow the instructions and return your completed paperwork as well as a copy of your passport biography page to [eeesvisa@uci.edu](mailto:eeesvisa@uci.edu). You may also visit the UCI International Website at <http://www.ic.uci.edu>.

You should expect to receive an e-mail from the UC Irvine Graduate Division within the next two weeks asking you to complete an on-line Statement of Intent to Register (SIR). Please be sure to submit your SIR by the requested SIR deadline of April 15, 2018.

Congratulations again on your admission into the Networked Systems program.

Sincerely,

Ender Ayanoglu  
Program Director  
Networked Systems

Fadi Kurdahi  
Associate Dean for Graduate and Professional  
Studies  
The Henry Samueli School of Engineering
